

## Council To Reconsider SU Report Tonight

Mayor Hopeful \$6000 Survey To Improve City Can Be Utilized

A more receptive council is expected this evening, when Dr. Seymour T. Mann of Southern Illinois University is to appear before the aldermen to clarify any misunderstanding of the university's study of city government with long-range recommendations for major changes. The professor has emphasized his staff's willingness to assist in any manner.

The council on Dec. 18 voted 11-5 in favor of preparing ordinances wiping out changes in the city council made in accordance with the SU report, and Dr. Mann requested the audience to review the objectives of the report and to clarify misunderstandings and misconceptions that inevitably developed when proposed governmental changes are executed.

The proposed rejection of the SU study, which was presented to the council early last spring in 220-page report with 125 maps or proposals, was spearheaded by Alderman Walter Noll, who set a Jan. 22 deadline for reviewing the council's new arrangement for committees and council sessions.

For the past six months, the council has been holding regular meetings on the first and third Mondays of each month, with the second Mondays reserved for a meeting of the mayor with committee chairmen and the fourth Mondays for individual committee meetings. The old method was regular sessions on the first, third and fourth Mondays with no activity on the second Mondays.

Aldermen's Complaints  
Complaints on the meeting arrangement have been that several aldermen serve on too many committees and cannot be present at each of its meetings on the fourth Mondays. Major objections to the reduction of the number of committees from 16 to eight has been the exclusion of several aldermen and the separate meetings of the chairmen. Those not chairmen have complained that they were not being kept informed of the activities of the chairmen.

Mayor Davis, who has pointed out he is not in 100% agreement with all recommendations of the SU report, told the Press-Record he is hopeful the program can be saved.

Mayor's Viewpoints  
"It was designed for long-range improvement with a sole purpose of adopting city government," said Mayor Davis. "I follow the recommendations, I'm sure we will have a more efficient and economical government, and that will be of benefit to all Granite Cityans," Davis said.

## 31 Traffic Mishaps Injure 9; Five Hurt In Ice Falls

Continued inclement weather during the past weekend again resulted in numerous traffic accidents and injuries caused by high Area authorities reported a total of 31 crashes in which nine persons were hurt, and five persons were treated at St. Elizabeth Hospital for injuries suffered in falls.

**3 Hurt, 4 Venetian Crashes**  
Four crashes occurred in Venice Thursday afternoon. They included a three-car collision on the Broadway viaduct at the State street cutoff at 2:05 p.m., in which three persons suffered minor injuries.

Those hurt were Carl Prince, 57, of 2050 Edwardsville road, who landed damage to a front fender from a front bumper of his car; Ira H. McDougall, 53, of 903 North 24th street, front and rear end damage; and Dorothy Becker, of 608 Fillmore avenue, Venice, who reported right rear and right front car damage.

Those hurt were McDougall, Dorothy Becker and Elva Hand, 31, of the 600 block of Fillmore, who were treated at St. Elizabeth's Hospital. The crash involved the left headlight of the westbound auto of Melvin Neuhaus, Route Two, Edwardsville, and the left door and side of the car of Russell Highland, Highland, Route Two, Madison, turning from Selb to east on Market. The Neuhaus vehicle slid on snow and ice, police were told.

At 4:20 p.m. on Main street, a 1958 Ford, a 1957 Ford, a 1956 Ford, northbound autos collided. There was damage to the right front of the 1958 Ford of James Bramlett, 2127 Lee avenue, and the left front bumper of the 1957 Ford of Harris, 1008 Kirkpatrick homes.

Seventy minutes later at the same location, the door of the northbound car of Dale W. Pasche, 2515 Sheridan avenue, skidded against the right rear of the auto of Daniel J. Lane, 1701 Courtenay blvd., police were told.

**Hurt In Auto-Tank Crash**  
Robert A. Renick, 36, of 2045 Dale avenue, was injured Sunday morning on Madison avenue at 16th street, when a tank car traveling north and skidded into a Granite City Steel Co. switch engine, police were told.

Three persons suffered minor injuries Saturday evening in a crash involving a 1958 Ford of Charles V. Owens, 2118 Madison avenue, injured were Miss Marie Clark, driver of the car, 16th street, and a 1958 Ford of 2663 Washington avenue. Police said the 1958 Ford of Clark was halted at the traffic signal and was struck by the 1958 Ford of Owens, who was going east.

**8 Other Accidents**  
Eight additional minor accidents occurred on the city streets during the weekend and today, caused by ice and slick pavement.

This morning in the 2400 block of Adams street, a crash involved the car of George Hoff, 25, of 2628 Yale avenue, and Loretta L. Brown, 30, of 816 Twenty-fourth street. On Edwards street, a crash involving a 1958 Ford of Johnson road, an accident today involved Francis J. Grabowski, 24, of 2603 Illinois, and a 1958 Ford of 31, of 4029 Seward avenue. Also today on 20th street, a crash involving a 1958 Ford of 137 Briarcliff, slid in into it.

## New Sewers Designed For Growing City

Design of drainage, sewage and treatment plant facilities for Granite City, currently under study by the city council, is based on a growing community and an estimated population of 62,700 by 1982.

## Cong. Price Pledges Aid For Postal Substation

Need In Downtown Area Stressed By Special C. of C. Committee

Granite City's need for a post office substation in the downtown area, once the new postal building is erected at 24th street and Madison avenue, was stressed Friday afternoon to Congressman Melvin Price, who pledged his support for the effort of a special committee of Chamber of Commerce members.

Price met with local civic and business leaders, all of whom had participated in the Tri-City Chamber of Commerce effort to obtain a new post office building for the city. The committee of Chamber of Commerce members, which was organized to aid in the construction of a new post office building, was held in the downtown area.

The congressman said there would be no lack of plans for mail pickups by businesses and industries in the downtown district, which call for complete abandonment of the present plans of the Post Office Department, which call for complete abandonment of the present plans of the Post Office Department, which call for complete abandonment of the present plans of the Post Office Department.

**Hardships For Community**  
Those business leaders pointed out the lack of post office facilities would work hardships not only on the business community, but also the public, since the present downtown facilities are used for mail pickups and the new office would be seven blocks away.

Complete abandonment of the downtown post office was determined following a recent survey by the Post Office Department, which said the present building, when it was decided to build a new main station, plans for the present building in operation as a substation, with the extra space to be utilized for the present building.

However, the present plans call for sale of the building and construction of a new building offering it first to the school district and city. Both taxing agencies and the city of Granite City have obtained special petitions.

Price said he did not believe the city would erect a substation in the business district, but probably would approve a money order to the city to purchase the building and the handling of packages. This he explained, would be to be used in an exclusive business which would contract for handling the services.

**Congressman's Headquarters**  
Committee members expressed doubt that a contract station for mail service would be provided in the downtown area. The congressman said he would confer with postal officials to see if they could adopt Washington and would keep the committee advised of his meeting.

Others present for the meeting, held in the C. of C. conference room, were C. of C. President Paul Lichtenberger, Chester L. Baker, Ted Berger, Harold R. Fischer, Henry D. Karandjoff, Donald J. McFarland, Paul R. Rant, E. G. Schmitt, C. E. Townsend, Ernest E. Veith Jr., C. W. Clark, Secretary of the C. of C., and Gene Jette, secretary to Congressman Price.

## Walker, Shaver, Vierling File Today Last Day

Three Granite Cityans are among six seeking state representative nominations, and there also is a new position for the county Republican nomination.

The eight-day filing period will close this afternoon, and the activity is anticipated shortly before the deadline, especially for county Republican nomination.

Democratic state representative candidates are Lloyd C. Skutumpah, of Granite City, and Leland Kennedy and Robert Miller, both of Alton. Rep. Ralph Smith, Alton, and James E. Walker, Granite City, are the only candidates so far for two Republican nominations.

**Crawcraft Has Petitions**  
Lester Vierling of Venice filed today to oppose William C. Straube of Edwardsville for the Republican county sheriff nomination. Karl Monroe of Collinsville and Elmer Ruehrup of Paducah, incumbents, filed today, and are unopposed for two county board of school trustee positions. Fred Crawcraft (D) of Venice has obtained special petitions.

Donald G. Shaver of Madison, principal of South Roxana grade school, filed Friday afternoon to oppose Wilbur Tripp of Bettendorf, incumbent, for the Democratic county superintendent of schools nomination. Republican congressional candidates are Oscar Miles, East St. Louis, and Dr. Kurt Glasser, East St. Louis.

**Democratic Candidates**  
Democratic candidates for the state filing on the first day, the Republican filing included U. S. Sen. Everett McKinstry Dirksen, Ill., and U. S. Sen. Frank E. Lausche, Ohio. U. S. Sen. Dirksen is running for re-election, and U. S. Sen. Lausche is running for re-election.

**Simmons Opposed**  
Quadr-City Democratic precinct committee areas include Venice Precinct One, County Chairman Walter T. Simmons vs. John Xigiarakis, Venice; Frank Franklin, John Harris and Rev. Daris E. Johnson; Granite City, N. C. vs. M. C. McFarland, Paul R. Stover and Mike Meisaki; C. 13, Paul E. Jones and Leroy J. Simmons.

## Loot Tops \$1600 In 7 Weekend Burglaries Here

Burglary loot exceeded \$1600 in six four-day periods during the weekend as a motel, grocery store, business office, church, school and two service stations were entered. Two auto thefts also were reported, with one of the vehicles found.

Articles worth \$800 were stolen from several rental rooms on the Mercer Motel, By-pass 66 and Route 67a, it was discovered during a search of the premises. The thefts apparently occurred Saturday night, when three burglars entered the motel.

Stolen were three lamps, three television sets, three clocks, five wall pictures, five each of bedspreads and mattress pads, 10 each of pillows, pillowcases, pillowcases, sheets and blankets, 24 towels and 12 wash cloths.

**Burglary Loot Totals \$300**  
Burglars entered the Cut-Rate Food Market, 1903 Fifth street, East Madison, between 6 p.m. Saturday and 9 a.m. Sunday, obtaining \$350 worth of groceries, a half-dozen of beef valued at \$100, two cases of instant coffee worth a total of \$50 and a napkin case of eggs costing \$8.

An inventory is continuing. Mrs. Ann Palagay, wife of the proprietor, reported. The intruders unsuccessfully tried to pry open the front door, and then gained entrance by prying a door on the east side.

**Tires, Parts Tons Taken**  
Much burglary loot was obtained after 10 p.m. Saturday. The Baggett service station, By-pass 66 and Route 111, the sheriff's office reported Sunday morning. A side window was broken to gain entrance.

Taken were eight new snow tires, 25 boxes of oil filters, four boxes of oil, two sets of wrenches, 24 voltage regulators, two sets of battery chargers and five new batteries.

**Adding Machines Taken**  
Burglars forced open a rear door and stole two adding machines at the Progas Co. office, By-pass 66 and Route 67a, after 10:30 p.m. Friday, Glen Boyer, office manager, reported Saturday.

**Church Looted**  
Burglars took \$18 in cash from the St. John United Church of Christ, 2901 Nanticoke street, last night. Police said the church was gained by breaking a basement window.

Two dollars were taken from a petty cash bag in the church office and \$6 was taken from an offering plate that was on one of the office shelves. The burglars also rolled the safe out of the main part of the church and hammered it open but nothing was taken from it. The office clerk of the church reported the theft.

**Madison Hit Entered**  
The Madison high school was entered Saturday morning over the weekend, but little of value was taken, Madison police report. Steve Pogorale, 716 Iowa street, Madison, custodian at the school, discovered the break-in this morning.

He said a glass in the north door of the cafeteria was broken and an unsuccessful attempt was made to force the door. Entry was then gained by breaking a glass in a kitchen door and opening the glass in an office.

Exchange Shots At Home In N. Granite; Both Victims Listed As Fair

Answering what seemed to be a routine family-trouble call at 1:45 a.m. today, Granite City Policeman Frank Harris, 28, was shot and wounded with a .410 over-and-under shotgun at the Arney residence, 719 Twenty-eight place, Arney 34, was hospitalized with three wounds in an exchange of shots with officers.

Accompanying Harris on the call was Patrolman Al Diak. When they arrived at the scene they were met by Mrs. Arney, who came out of a neighbor's house and said that her husband and five children were in the house. She added that her husband was armed.

Both officers had been summoned earlier to the scene at 12:05 a.m. when Mrs. Arney called and said she was locked out of her home. When Harris and Diak arrived in the morning they found Mrs. Arney sitting in an automobile in front of the house. She awakened her daughter by knocking on a bedroom window and the girl let her mother, Diak and Harris into the house.

Both officers checked throughout the dwelling but could not find Mrs. Arney's husband. He also searched the area but was unable to locate him. Diak told the Press-Record that he instructed Mrs. Arney to call them if her husband returned and caused any trouble.

About an hour and forty minutes later Diak and Harris were dispatched to the scene again. Reaching the front porch, Diak and Harris noticed that the bottom section of the screen door had been torn out. They reached through the opening and unlocked the door and entered the screened porch. The glass storm door leading into the house had the lower pane broken out and the lower door was closed and no lights were on in the house.

"They told Harris that they would leave, but he said that they weren't getting out of the porch," stated Jeff. The acting chief then explained that Diak had been told to push his way around the corner and saw Harris and Diak kneeling on the porch.

"Diak told him to drop the gun," continued Jeff. "He said he wouldn't and put it out around the corner and saw Harris and Diak kneeling on the porch."

"Then Diak fired a warning shot over the fence and Arney returned the shot hitting Harris. Harris fired one shot before he fell to the floor."

"Diak raised and fired again. Arney returned the shot again and then was not seen in the doorway. Diak jumped up and ran to the door. He fired his gun as he reached the door but Arney was not there. Diak ran to the kitchen in time to see Arney's head and Arney returned the shot hitting Harris. Harris fired one shot before he fell to the floor."

### Zoning Goal

(Continued from Page 1)

Madison County Zoning Ordinance.

The second section gives the ordinance its intent and purpose; the third, rules and definitions; fourth, general provisions; fifth, non-conforming buildings and uses; sixth, zoning districts; seventh, floodway district; eighth, agriculture district; ninth, residence districts; tenth, business district; 11th, manufacturing district; 12th, off-street parking and loading; 13th, administration; 14th, separability; and 15th, appendix.

The second section sums up the "why" of zoning as proposed for adoption in Madison county in 1962:

"This ordinance is adopted for the following purposes:

"To promote the public health, safety, morals, comfort and general welfare.

"To conserve the values of property throughout the county and to protect the character and stability of agricultural, residential, business and manufacturing areas, and to promote the orderly and beneficial development of such areas.

"To provide adequate light, air, privacy and convenience of access to property.

"To lessen or avoid congestion in the public streets and highways.

"To regulate and restrict the location and use of buildings, structures and land for trade, industry, residence and other uses, and to regulate and restrict the intensity of such uses, and to establish building or setback lines outside the limits of

cities, villages and incorporated areas.

Zoning Districts

"To divide the entire county outside the limits of such cities into districts of such number, shape, area and of such different classes, according to the use of land and buildings and the intensity of such use, as may be deemed best suited to carry out the purposes of this ordinance.

"To prohibit uses, buildings or structures incompatible with the character of such districts respectively.

"To prevent additions to and alterations or remodeling of existing buildings or structures in such a way as to avoid the restrictions and limitations lawfully imposed hereunder.

"To protect against fire, panic, explosion, noxious fumes, flooding along natural water courses and other hazards in the interest of public health, safety, comfort and general welfare.

"To provide for the elimination of incompatible and non-conforming uses of land, buildings and structures which are adversely affecting the character and value of desirable development in such district.

"To establish Officer Powers

"And to define and limit the powers and duties of the administrative officers and bodies as provided herein.

"The adverse effects" referred to are numerous, officials point out.

Without zoning, property owners have no protection from such developments as the following on neighboring land: auto "graveyards," movie drive-ins, salvage yards, animal rendering plants, amusement resorts, taverns, trailer parks, shopping centers, garbage dumps, cycle racetracks, auto racetracks and industrial plants.

Venice Mattress Fire

No damage was listed in a fire call at 7 a.m. Friday at Apartment 26, Lee Wright Home, Venice, mattresses had caught fire and was removed from the smoke-filled apartment.

lating sanitary sewer system serving the Nameoki area are needed under this plan."

The recommendation for sewerage pertains to commercial and residential areas primarily located southwest of Nameoki road. The engineers recommend all storm water be directed to the new storm water sewer system.

Disconnect Downspouts

"This will require disconnection of all roof downspouts. Surface water will be allowed to travel over the ground surface until reaching an inlet, or it may be piped directly to storm sewers. It is of utmost importance that all storm water be removed from the present sewer system."

Division of storm water from industrial areas also is proposed in the recommendations. The engineers point out that with some industries complete separation of storm water from sewers carrying industrial and sanitary wastes might be prohibitive from a cost standpoint.

In such cases, it is considered feasible that the industry could maintain its system essentially as existing, with the exception of providing automatic valving arrangements which would divert both storm and waste flow into the proposed storm sewer system during peak storm periods, when dilution will be such that discharge to the Mississippi River is permissible. Such diversion will not be permissible for areas draining into Horseshoe Lake," the engineers emphasize.

Responsibility for construction, maintenance and operation of such diversion facilities would rest with individual industries.

Fricker said no orders for repairs were issued, pending a decision by the council. "We found one situation, where a furnace had nearly consumed several supporting wooden beams in a pipe structure and other cases of improper flues on gas heaters and dangerous walls and partitions," the inspector explained.

In one instance the metal flue on a gas heater went through a wall, unprotected, and then pointed down outside, causing the fumes to blow back inside," Fricker said.

The three inspectors were accompanied by a photographer, and photographs of the improper conditions as well as written reports are to be presented to the council this evening for study and possible action by the aldermen.

## Jaycees Top Membership Drive Goal In Two Days

Two days were all that were needed for the Granite City Junior Chamber of Commerce to top its membership drive for 35 new members. The campaign, headed by Boyd Presley, opened at 1 p.m. Saturday with a luncheon, and by this morning, 37 new members had been enrolled, two over the new-member goal of 35.

The campaign will continue through Wednesday when the Jaycees will hold their annual "Jaycees' Week" membership dinner at the Granite City Engineer-Deputy Officers' club. During the dinner, six honorary membership awards are to be made.

Speakers at Saturday's membership drive kick-off luncheon, held at the Grand cafe, was Alvin Barnes Jr., executive director of the Associated Retailers & Civic Association.

He stressed Jaycee participation in community affairs, giving praise for past accomplishments, and urging the members to increase activities such as attending council sessions. He added that the council is subject to

## Weather Causing Severe Damage To City's Streets

Street conditions in Granite City have been bad for the past two weeks despite overtime work and extra efforts by the street department, but even greater difficulties are anticipated when the snow and ice melts and goes away. During yesterday's thaw, numerous chuck holes were noted, and last night's freeze and continued bad weather are expected to cause further damage.

Supt. of Streets William Warfield told the Press-Record the rains which preceded the snow and also the rains of a week ago seeped into cracks in both paved and dirt streets and with the freeze widened to enlarge cracks and break down the road surfaces.

"I don't know what we'll find when the streets clear, but I imagine that most dirt streets will be in terrible condition, the worse condition in my experience as superintendent of streets," Warfield said.

"Drivers should be extra careful, not only due to icy patches, but because of the large holes that are developing in the streets. We can't make repairs until weather conditions get better and the holes and broken roadway surfaces could cause damage to vehicles," Warfield cautioned.

Operation of salt and cinder spreaders was started early Thursday night with the department putting in 2 1/2 manhours of overtime. "The salt," Warfield said, "did the job Friday morning and melted through the new snow."

The department spread 108 tons of cinders and 12 tons of salt, nearly depleting the city's supplies. "We can't find any more cinders and our salt suppliers can't furnish us with any more salt until they are able to blast it loose in the river barges where it is frozen," the street superintendent said.

## 3 Inspectors To Submit Report On Rooming Houses

A preliminary report on an inspection of hotels and rooming houses in Granite City is to be presented to the council this evening, it was learned Friday.

The report, by City Inspector Jack Fricker, will be presented to the council this evening for study and possible action by the aldermen.

Fricker said no orders for repairs were issued, pending a decision by the council. "We found one situation, where a furnace had nearly consumed several supporting wooden beams in a pipe structure and other cases of improper flues on gas heaters and dangerous walls and partitions," the inspector explained.

In one instance the metal flue on a gas heater went through a wall, unprotected, and then pointed down outside, causing the fumes to blow back inside," Fricker said.

The three inspectors were accompanied by a photographer, and photographs of the improper conditions as well as written reports are to be presented to the council this evening for study and possible action by the aldermen.

# Venice Drops To 6th After 68-44 Loss To Aviston

The Venice Red Devils fell to sixth place in the Madison-Clinton-Macoupin counties basketball conference Friday night after absorbing a 68-44 defeat at the hands of Aviston on the losers' court.

Aviston lead-frogged into fifth place past Venice, which now has a 1-4 conference record. Aviston is 2-4. Two teams higher up in the conference standings also exchanged places. Bunker Hill moved back into second place behind Worden by handing Venice a 33-60 setback. The Minutemen are 6-2 in the MCM while Worden lost for the second time in six tries.

A conference meeting between Venice and Livingston Friday night was postponed because of bad weather, and Worden (6-1) had the evening off.

Shooting poorly in the final two periods after trailing by just three points (27-30) at half time, Venice was outscored 38-17 over the final 16 minutes.

**Devany Held In Check**  
Don Devany, averaging over 30 points a game in previous MCM encounters, was held to just eight points by the Aviston defense and spent some time on the bench.

Jerry Ciclo led the Red Devils with 19 points, but fouled out late in the game. Meanwhile, Dave Stricker was pumping through 20 points to lead Aviston and all game scores were close to the wire.

Despite a close-to-the-wire defense, the visitors were whittled for only eight personal fouls, and the result was Venice's hitting a season low of just two points from the free throw line, where the game was decided.

Venice trailed by only four (42-46) with two minutes left, but then everything went wrong. The Devils could not get the ball down the court, while Aviston threw in 22 points.

One bright spot was Paul Siltton's 17 rebounds.

The scoring: Venice — Ciclo 19, Devany 8, Larry Mueller 6, Noy Shambro 4, Pete Fields 2, Jim Harmon 2, Jack Fields 2, Paul Siltton 1, Dan Moad 0, Jim Eberhardt 0, Jerry Coggins 0, Aviston — Stricker 20, Hugen 18, Brendel 16, Van A'ter 6, Smothers 4, Van Hatten 4.

# 90 Youngsters Hunt 50 Goldfish In YMCA Pool — Successfully

Ninety youngsters splashed merrily into the YMCA's indoor swimming pool here Saturday morning in search of goldfish—and prizes.

Fifty fish had been placed in the pool, and the youngsters competed for YMCA T-shirts by trying to capture barbaled fish. No Republican committeemen were present to develop here as yet.

Twenty-four Republican precinct posts and five Democratic positions had no seekers at the latest check of petitions at the county clerk's office.

A. H. Seebold Truck Service and Excavating Co. of Granite City submitted the apparent low bid of \$627,667 on construction of a new Madison pumping station Thursday afternoon at the Army District Engineer's office in St. Louis.

Snyder Construction of Vincennes, Ind., was second at \$850,352, and J. J. Altman of East St. Louis was next at \$627,633. M. H. Wolfe of Granite City bid \$698,855 and General Contracting of Granite City bid \$788,104.

Smith all bids over the government's \$597,041 estimate, they are being sent to divisional headquarters for a decision. Columbia, East St. Louis, Effingham and Springfield firms also took part in the bidding.

**Smith Wins Title At Cairo Jaycees' Boxing Tourney**

Two of the three Mexican AC entrants in the Cairo Jaycees' boxing tourney were unable to make the trip to compete, but a third, Granite City native John Campbell, scored a home with the 135-pound novice title.

Smith, an outstanding Golden Glove, defeated three opponents, all on Saturday, without benefit of seconds or coaches, who did not make the trip due to weather conditions.

Connie Ybarra and Joey Ybarra, all sponsored by the Mexican AC here, will begin competition Thursday night in the first round of the Jaycees' Golden Gloves boxing tourney.

Joe Gonzales pumped through 25 points to lead Aviston and all game scores were close to the wire.

**\$627,667 Pump Station Low Bid By Seebold Co.**

A. H. Seebold Truck Service and Excavating Co. of Granite City submitted the apparent low bid of \$627,667 on construction of a new Madison pumping station Thursday afternoon at the Army District Engineer's office in St. Louis.

Snyder Construction of Vincennes, Ind., was second at \$850,352, and J. J. Altman of East St. Louis was next at \$627,633. M. H. Wolfe of Granite City bid \$698,855 and General Contracting of Granite City bid \$788,104.

Smith all bids over the government's \$597,041 estimate, they are being sent to divisional headquarters for a decision. Columbia, East St. Louis, Effingham and Springfield firms also took part in the bidding.

**Smith Wins Title At Cairo Jaycees' Boxing Tourney**

Two of the three Mexican AC entrants in the Cairo Jaycees' boxing tourney were unable to make the trip to compete, but a third, Granite City native John Campbell, scored a home with the 135-pound novice title.

Smith, an outstanding Golden Glove, defeated three opponents, all on Saturday, without benefit of seconds or coaches, who did not make the trip due to weather conditions.

Connie Ybarra and Joey Ybarra, all sponsored by the Mexican AC here, will begin competition Thursday night in the first round of the Jaycees' Golden Gloves boxing tourney.

Joe Gonzales pumped through 25 points to lead Aviston and all game scores were close to the wire.

Despite a close-to-the-wire defense, the visitors were whittled for only eight personal fouls, and the result was Venice's hitting a season low of just two points from the free throw line, where the game was decided.

Venice trailed by only four (42-46) with two minutes left, but then everything went wrong. The Devils could not get the ball down the court, while Aviston threw in 22 points.

One bright spot was Paul Siltton's 17 rebounds.

The scoring: Venice — Ciclo 19, Devany 8, Larry Mueller 6, Noy Shambro 4, Pete Fields 2, Jim Harmon 2, Jack Fields 2, Paul Siltton 1, Dan Moad 0, Jim Eberhardt 0, Jerry Coggins 0, Aviston — Stricker 20, Hugen 18, Brendel 16, Van A'ter 6, Smothers 4, Van Hatten 4.

# Sanitation Dept. Works Saturday To 'Catch Up'

Granite City's sanitation department worked Saturday in an effort to catch up on collections of garbage and trash delayed by subfreezing temperatures and the snow and ice.

The department's 18 men normally do not work on Saturday, but were called out by Mayor Davis and City Inspector Jack Fricke to clear the city of accumulating trash and garbage. The six trucks were assigned in scattered sections of the city where pickups were missed in the past two-week periods of inclement weather.

With the extra day, it is planned to return to the regular weekly schedule this week, Fricke said.

However, the crews continue to encounter difficulties with cans and garbage frozen in containers. Two weeks ago, three of the department's trucks were inoperative due to freezing of the hydraulic systems in the trucks.

Also, the trucks have been stuck frequently in the snow and slushy alleys, delaying the work schedule.

**Mrs. Florence Briggs, Ill Since Spring, Dies**

Mrs. Florence Briggs, 77, of 2236 Lee avenue died at 3:50 p.m. Friday at Jewish Hospital, St. Louis, where she had been a patient two weeks and had undergone surgery Thursday.

Mrs. Briggs had been ill since last spring, at which time she was hospitalized. She had been under medical care since then, and received treatment regularly as an out-patient at Jewish Hospital.

Born in Jersey county, Ill., she had resided in Granite City 45 years and was a member of the Trinity Methodist Church. Her husband, William Briggs, preceded her in death in 1949.

Survivors include two sons, Marion and Elmer Briggs, both of Granite City; three daughters, Miss Edna Briggs of Granite City, Mrs. Alta McKee of Grand Rapids, and Mrs. Hazel Smith of Almo, Ky.; seven grandchildren and three great-grandchildren.

Funeral services were conducted at 2 p.m. today at the Trinity Methodist Church, followed by burial in Sunset Hill Cemetery. An obituary appears elsewhere in this issue.

# Kahoks Win, But GC Bolstered By Moore's Return

## 'Little George' Scores 18 Points In 87-51 Loss To Collinsville Friday

Granite City high school basketball fans got some good news and some bad news Friday night.

The bad news came in the form of an 87-51 loss to powerful Collinsville, while the good tidings were marked with the return of 6-7 junior George Moore to the starting lineup after an absence of a month and a half.

Moore, an anxious young giant, 6-7, from Northam, who wore Trainer and his teammates did not have the staying power to cope with the defending state champions, who pulled steadily away after a close first quarter. But with some size on the floor, the Warriors looked and played closer to the standards of which Coach Andy Sullivan thinks the club capable.

Missed free throws started the Warrior downfall. Granite failed to convert on its first six attempts and was behind as the result, 13-17 after one quarter.

**Matikitis Is Workhorse**  
The well-coached Kahoks picked a tight GC zone apart in the second quarter, scoring 24 points, including 10 by Guard Joe Brennan. But it was the work of Ron Matikitis, Roger Bohmshiehl and especially Ron Matikitis underneath which was the big difference. Matikitis scored 14 points in the first half, most of them picked up on four-to-six-foot jumpers or dunks.

Moore tried stubbornly to stay with Collinsville's big front line, but his recent inactivity was a factor in his tiring easily, and he was rested, wisely, on several occasions.

**Press Not Troublesome**  
The Warriors had surprisingly little trouble with Collinsville's press, thanks to some alert—and sometimes length-of-the-court—passing.

They could not match the Kahoks' shooting, however. Collinsville shot .485 from the field and 71.9 from the free throw. GCIS hit 22 of 59 shots from outside for 37%, considerably better than their free throw mark, which was a season's low of 30.4.

The Kahoks, who led 64-40 at the final period began, also held a commanding edge in rebounds, 42 to 23.

Mottin, who blistered the nets from outside for 12 points in the third quarter, led all scorers with 23 points. The Kahoks were handicapped a bit by a sub-par performance from reserve star Byron Byrkit. The little guard, who had the flu all week, saw limited service and scored only two points.

**Warriors Handicapped**  
GCIS's Jim Proffitt kept the Collinsville defense honest in the first half by scoring 12 of his 14 points, most on long jump shots. The Warriors put a handicapped player on the floor themselves in the person of Larry

## Lincoln Stumbles At Red Bud Friday, 60-55; Whips Alton Marquette Saturday

Coach Stan Lynch's Lincoln of Venice Rams managed to stay above the 500 mark for the season over the weekend by splitting two basketball contests.

Enjoying the friendly confines of their own court, the Rams trounced Marquette of Alton 71-49 Saturday night after having dropped a 60-55 decision the night before at Red Bud, Ill. Lincoln's record is 5-3 for the current campaign.

Lynch's squad plays at Lovejoy of Brooklyn tomorrow night. The game marks the renewal of a series between the two schools which ended five years ago.

### Foul Trouble

Early foul trouble hurt the Rams in Friday night's contest as four regulars picked up four personal fouls. "We had to let them shoot," declared Lynch, "and they shot pretty good." Lincoln outscored Red Bud from the field by eight points but the hosts connected on 22 charity tosses as compared to nine for the Rams. Venice led 12-0 at the end of the first period but found itself trailing 26-22 at the intermission.

Bob Chavis, the only Ram regular to escape foul trouble, led all scorers with 32 points. Lincoln knotted the score at 44-all by the end of the third stanza but couldn't keep up in the final eight minutes.

Ram scoring: Chavis 32, Billie Hatter 7, Johnny Marchbank 7, Tommy Turner 6, Edgar Buckles 2 and Isaac Brown 1. Red Bud scoring: Lesinger 21, Abernethy 19.

# Belleville Is 41-7 Mat Victim As GC Clinches Conference Title Tie

One additional dual meet victory and Granite City can claim the Southwestern conference's wrestling title.

Bill "Red" Schmitt's grapplers clinched a tie for the SWC championship in Belleville Friday afternoon when they won their record to 41-7 with a 41-7 decision over the host Maroons.

They can claim the title outright Thursday evening in East St. Louis, where they will meet the Flyers, 46-0 shutout victims here Jan. 12. The outcome of later matches with Belleville and Wood River (both GC's victims) would then be anticlimactic, although the Warriors would want to preserve their SWC victory string.

Skip MacMillan, Buddy Felchlin, Bob Cruse, Bob Kary and Don Pindall grappled to pinpoints for the USCA King (GC) decision Leo Whittaker, 7-4; 112—Skip

points as the result of two draws and a decision, leaving GC with nine individual match victories.

**Jayvies Come Close**

Granite City's Jayvie squad almost pulled off a perfect afternoon in matches with the Maroons reserves. They won the first two bouts, but were pinned, but heavyweight John Zerial lost a decision. The final score was 55-3. Sixty points are the maximum, which can be scored under IHSA prep wrestling rules in dual competition.

In addition to improving its conference mark to 5-0, the GC varsity upped the team's overall record to 14-1 for the season. It was the seventh straight dual meet victory for the club.

The varsity results:

95 pounds — Paul Lapinski (GC) decisioned Pory, 4-1; 112—Skip MacMillan (GC) decisioned Leo Whittaker, 7-4; 112—Skip

MacMillan (GC) pinned Terry Knitt, 5-39; 120—Roger Blydworth (GC) and Jerry Davis drew, 1-1.

127 — Larry Reynolds (GC) and Terry Pensoneau drew, 4-4; 133 — Buddy Felchlin (GC) pinned Roger Voelkel, 4-42; 138—Sam Fazio (GC) decisioned Wilton Dawson, 13-2; 145—Edon Poole (GC) decisioned Robert Huwer, 10-1.

# Trojans 'Tame' Tigers 83-40 While Posting 14th Consecutive Victory

Madison had little or no trouble posting its 14th consecutive win of the season Friday night at Edwardsville by taming the Tigers, 83-40. It was the ninth straight home win for the Trojans, who have won four Trojans in double figures for Coach Earl McClanahan's Madison squad.

McClanahan had his troubles Friday night despite the one-sided score. Trojan star Ed Freeman got a nosebleed on the way back to the dressing room after pre-game warmups and was unable to start. Terry Andrews, well on his way to the finest performance of his career, twisted his ankle in the second quarter and had to be taken out.

Freeman started the second quarter and finished the game with 24 points to lead all scorers.

Andrews, who netted eight markers in the first period, re-entered the game in the third quarter but was unable to con-

tinue on his swollen ankle. He collected 13 points in less than a half—his individual high for the year.

The Trojans led by 19-12, 39-23 and 58-23 at the quarters.

**Host Duo Tomorrow**

Madison hosts a much improved Dupo team tomorrow night. The Trojans will be shooting for their 17th straight Midwestern Conference win and their sixth of the season. The Big Green trounced the Tigers earlier this season, 83-28.

Other Trojans in double figures Friday night against Edwardsville were Ken Griggs and Bob Haynes with 20 and 15 points, respectively. Haynes started for the Trojans after having missed the starting nod recently.

McClanahan cited Freeman's many assists and Andrews' play as the big improvement on the part of his team's efforts. "I didn't use Venarsky (Chuck), despite the score, because of the size of their gym," added McClanahan. He went on to explain that he was afraid Venarsky

might run into the padded wall which is just a few feet from the end of the playing area.

**Similar To Sparta Gym**

"Sparta's gym was quite similar to Edwardsville's," remarked Venarsky. He was referring to when Venarsky broke his wrist in the first game of the season by crashing into the end of the gym at Sparta.

Trick shot "Hawk" Graville was guarded closely all night and had to settle for four points — his lowest production of the year. Ed Petty added three markers and Charlie "Boz" Kossek and Calvin Jackson both contributed two points.

Edwardsville's Bob Paproth, the Tigers' leading scorer, tallied 13 points in the first half. The Trojans defended him well in the second half, as he finished the game with 15 markers to lead the Southwestern Conference club.

Other Edwardsville scoring: Rinkal 6, Gueswelle 5, Neuenberger 4, Schumacher 3, Henderson 3, Lynn 2, Schaake 1, and Stubbs 1.

# Falstaffs Drop Two To Bowland Schlitz; Lose SIBPA Lead

For the first time since early last fall, the Southern Illinois Bowling Proprietors' Association classic league has a new front runner.

Chokio Bowl displaced the defending champion Alon Falstaffs as the league leader Saturday night as they defeated the Schlitzs by scoring a 2-1 win over Ripley Pins of O'Fallon while Granite City's Bowland Schlitz five played the role of spoiler by taking the odd game from the Falstaffs.

The results gave Chokio Bowl a half-game edge over the Falstaffs. Also scoring 2-1 verdicts were Collinsville's Bush Bavarians (1189-2998) over Le-mans' Bowlers Shop of East St. Louis, and Shop City Bowl over Fairmont Bowl.

High individual efforts included a 641 series by Fairmont's Larry Miller and a 248 single by Pete Bahorich of Ripley Pins.

# Wolfe, Warnoff, Mrs. Pashoff Are Top Dimes Bowlers

George Wolfe and George Warnoff shared top prize money in the March of Dimes bowling tournament, concluded Sunday at the Big Top Bowl. Warnoff, Madison and Englewood Depot bowling lanes.

Wolfe and Warnoff both totaled 767, with handicaps, to outdistance other men bowlers in the benefit tournament, underway for two weeks. Both received \$75.

The high scratch effort of 689 was rolled by Jack Woodson who won \$25. Third place in the men's overall totals went to Lawrence Pett (721).

Top money winners among the women were Mrs. Mary Wolfe, Miss Marilyn Champion (698) and Mrs. Ann Gavalis (688).

Mrs. Loretta Kafka tallied a high scratch series for \$15 in prize money.

**Trophies Presented**

Trophies and prize money were presented to the top scorers by the Quad-Cities Bowling Proprietors' Association at the Bowland Schlitz following an exhibition match between Kutz women's team and the Cliff Antons. Junior league bowlers who rolled in the March of Dimes campaign and who recorded the top scores were Jack Brisley (684) and Linda Klein (582) at Bowland, Karen Owens (478) at the park district girls' league, Charles Beaver (420) and Diane Kinney (385) at the Englewood Depot, and Glen Bailey (407) and Jennifer Howell (441) in the Bowland-Bantam league. The juniors and teens received trophies donated by the Granite City park district.

Over 1300 local bowlers competed in the tournament, which added \$1007 to the month-long fund campaign. Local tournament chairmen were Mrs. Pashoff and Rip Johnson.

# Prather Wrestlers Beat Roxana JHS In Rematch, 34-15

Upping its season record to 6-4 Thursday, Prather junior high school's wrestling squad defeated visiting Roxana JHS here, 34-15, and gained revenge for a 31-1 loss suffered in Roxana on Jan. 9.

Glen Morgan, Richard Gizzard, Gary McGauley and Ed Keilbach of Prather won with pins. McGauley's victory was his tenth straight of the season, while Keilbach was recording his first press of the season.

Bob Zaleski's Chiefs will be at home Wednesday afternoon to Edwardsville in Prather's last regular outing of the year.

Thursday's match results:

95 pounds — Glen Morgan (P) pinned Ken Money, 1-35; 103 — Bob Finley (P) decisioned Johnson, 4-1; 112 — Richard Gizzard (P) pinned Townsend, 3-42; 120 — Phil Minner (P) and Shidus drew, 2-2.

# Prather Cogers Rally Twice, Beat Coolidge

Prather junior high school's eighth grade basketball team overcame a 21-17 halftime lead by Coolidge here Thursday and scored a 39-36 win on its home court.

Coolidge led by as many as 11 points in the second quarter, but lost three regulars with five personal fouls. Jim Rains led the winners with 17 points while Elmer Wortham was high for Coolidge with 12.

Prather also won the preliminary seventh grade game, 34-23, after Coolidge had enjoyed a 14-11 lead at halftime. Rich Jones scored 13 for Coolidge and Joe Marcan had 10 for Prather.

Roxana plays at Coolidge tomorrow at 4 p.m., while Prather is at home to Central at 6:30 the same evening.

# Southwestern Trips Venice 8th Graders

Southwestern Trade school (Piasa) outscored Venice 22-12 in the first half, and used that cushion to record a 47-41 win on the hosts' court Thursday night.

Venice closed to within two points in the third quarter before Southwestern widened the final margin by employing a fast break. Howard Black led Venice scorers with 11, and teammate Terry Cooper had nine.

Venice's seventh graders eased to a 22-21 win in the first game, after leading 12-10 at halftime. Denny Hill and Greg Punt each scored six points for the visitors.

Venice will play two games at home with Bethalto this evening, the first beginning at 6:45.

**MRS. VERNON A. PUMPHREY, who was married Saturday evening at the Madison Presbyterian Church. The bride is the former Sandra Sue Bosworth, a daughter of Benjamin Bosworth of Madison, and the late Mrs. Bosworth.**

## Pumphrey-Bosworth Vows At Madison Presbyterian

Miss Sandra Sue Bosworth, daughter of Benjamin H. Bosworth and the late Mrs. Ruth Bosworth of Madison, became the bride of Vernon A. Pumphrey, son of Mr. and Mrs. John Pumphrey, 3714 Blair Avenue, St. Louis, Saturday evening at seven o'clock.

Rev. Howard Lucas officiated at the candlelight double-ring ceremony at the First Presbyterian Church in Madison.

Two large bouquets of white gladioli and white mums intermingled with greenery were used on the altar of the church.

Wedding music was furnished by Mrs. Leonard Miller, organist, and Roy Hill, soloist. The latter sang the Lord's prayer and "Ich Liebe Dich."

Mr. Bosworth accompanied his daughter up the white-carpeted aisle giving her in marriage.

The bride chose an imported Chantilly lace gown, ball-length. The sabrina neckline was outlined in scallops and the molded bodice was fashioned with long lace sleeves, with traditional points at the wrists. The very bouffant skirt was worn over a hoop and detailed from the waist through the hemline with tiers of scalloped lace.

Her half coronet of seed-pearls and iridescent sequins was attached to a butterfly veil of imported French illusion. The bride carried a cascade bouquet of white gardenias.

Mrs. DeLoce Rhoads, sister of the bride, served as matron of honor, while Donald Twillman of Granite City was best man.

Mrs. Rhoads, with whom the bride has been residing, wore a gold satin princess gown, cap sleeves and a full skirt. Gold accessories were worn, as was a half crown with nosegay veil. A bouquet of shag mums with streamers of gold was carried by Mrs. Rhoads.

Guests and relatives were seated by the ushers, Eldon Rhoads, brother-in-law of the bride, and Benjamin L. Bosworth, brother of the bride.

The young couple will reside in South Venice. The groom is employed in East St. Louis. The bride is a graduate of Madison schools, while the groom attended schools in St. Louis.

A reception was held immediately after the ceremony in the basement of the church. Members of the family and close friends served refreshments to approximately 200 guests. Mrs. Julia Voloski baked and decorated a large tiered cake which centered the refreshment table.

Among out-of-town guests here were Mr. and Mrs. Thomas Wyckoff of Wichita, Kan., a brother-in-law and sister of the bride, and Mr. and Mrs. Milam Seal of Piggott, Ark., the groom's brother-in-law and sister.

## Mrs. Fred Schuler Hostess For Club

Octagon Bridge Club members were guests of Mrs. Fred Schuler, 2506 Waterville Avenue, at a party Thursday evening.

Refreshments were served to the members and a guest, Mrs. Mary Bennett, and honors went to Mrs. Owen Davis, Mrs. Harry King, and Mrs. Adolph Wigger.

Another meeting will be held in two weeks with Mrs. George Schnyder, 51 Twin Oaks, Troy.

## PARTY FOR JOLLY TWELVE CLUB

Mrs. Charles Sparks, 2702 East 24th Street, entertained the Jolly Twelve Club Thursday.

Luncheon was served at noon and prizes in the games which followed went to Mrs. Marceline Jung, the hostess, Mrs. Sophie Parker, Mrs. Camille Dame, Mrs. Kathryn Smithson and Mrs. Adeline Schwander.

The club will meet again Feb. 1 with Mrs. Dame, 3136 Aubrey Avenue.

## Lutheran Pastors To Meet Here This Week

Hope Lutheran Church, Wash and Garfield avenues, will be host to the Central Pastoral Conference of the Southern Illinois District, The Lutheran Church-Missouri Synod, Tuesday and Wednesday of this week.

The conference will begin with a service of Holy Communion at 9:30 a.m. Tuesday with Rev. Walter Symank preaching the sermon. Rev. Herbert Schaefermann, pastor of Trinity Lutheran Church, Hoffman, Ill., will conduct the business of the conference as chairman.

Papers to be read and discussed are "Investigations into the Nature of Old Testament Messianism" by Prof. Norman Habel of St. Louis, Dr. Richard Caemmerer, professor of homiletics at Concordia Seminary, St. Louis, will speak on "The Problem of Raiming Stable in A Period of Transition," and Rev. W. Mueller of Trinity Lutheran Church, Hoytland, and Rev. Edwin Kolb of Trinity Church in Centralia, will present papers on "The Lord's Supper and the Lutheran Confessions" and "Tools For Pre-Marital Counseling."

Pastors Arvin Twietmeyer, Samuel Boda and Alfred Bula of Concordia, St. John and the host church also will be in attendance at the conference.

## Venice-Madison Trunk Sewer Bids Are Sought

The East Side Levee & Sanitary District will receive bids on the construction of a trunk sewer line section in Venice and Madison, 7.1 miles long, Monday, March 5, at which time the bids will be publicly opened and read at the levee district offices in East St. Louis.

The sewer line, known officially as Project 24, Section D, if constructed will extend from an existing manhole at Madison avenue and Collinsville avenue in Venice, one block north on Madison, right one block on Market street to Washington avenue in Madison, north on Washington to Eighth street.

The trunk line would consist of both 72 and 66-inch sewer pipe, with "stubs" of various sizes attached along the line to collect water from existing city storm sewers.

Copies of plans for the proposed project will become available to prospective bidders this week at the levee district offices, 2642 McCasland avenue, East St. Louis, according to Chief Engineer A. L. Kraemer.

Engineer estimates the cost of the project are \$385,138. It is one of 10 projects within the district which the levee board included in a proposed \$1,833,290 general obligation bond issue.

## Out Of Hospital

Fred Huley, who operates a barber shop at 1308 Eighteenth street, was released from Park Lane Memorial Hospital, St. Louis, Friday. He had been hospitalized 20 days with lung congestion and was there nine days earlier this winter for the same condition. He reopened his shop Saturday.

## Car Fail To Start? Take A Look At These

Quad-Citizens who have had trouble getting their cars started in the frigid temperatures of the past weeks might be interested in some of the items offered for sale in the Surplus Sales Office at the Granite City Engineer Depot.

An invitation for bids to be opened Feb. 7 lists, among a number of other items, 11 engine heaters with a heat output of 200,000 to 400,000 btu per hour. Used but in good condition, the heaters cost the government as much as flying trousers, wool overcoats and parka liners also.

Or, for those who have to get out in the cold, winter coats, items as flying trousers, wool overcoats and parka liners also.

Property for sale, all of which has been listed by the government as surplus, is from Scott Air Force Base and Fort Leonard Wood, as well as from the local Engineer Depot.

Other property listed includes athletic equipment, machinery, hardware supplies, handtools, household and tractor parts, signal supplies, and a variety of other items.

Further information on the sale can be obtained from the contracting officer, Emmett Maxton, Consolidated Surplus Sales Office at the Engineer Depot.

## Glaser Announces As Republican Candidate

Kurt Glaser, associate professor of government at Southern Illinois University's Alton Center, announced Thursday night at a Granite City Republican Women's Club dinner that he will be a candidate for Congress in the 11th district on the Republican ticket.

Glaser, who lives in Rosewood, East Alton, holds a Ph.D. in economics and government from Harvard University, and has served with the U. S. Military Government in Germany, specializing in governmental affairs. He has been on the staff of SUI since 1959.

In announcing his candidacy, Glaser said he feels the nation urgently needs a Republican Congress, and that Republicans can carry Madison and St. Clair counties if party supporters will put forth the effort of which they are capable.

"The newly announced candidate is author of three books: 'Administrative Procedure,' a college textbook; 'The Iron Curtain and American Public Opinion,' published in 1953; and his latest, published last year, 'Czechoslovakia: A Critical History.'"

Glaser's wife, Ingeburg, is a former German citizen. They have two children, Robin and Angela.

Dr. Glaser said he expects to wage an active campaign, as his primary obligation to his teaching position will permit.

## Groshong Enters Dem County Judge Primary

"I intend to file petitions with the county clerk for inclusion of my name at the April primary as a candidate for the Democratic nomination for county judge," Edward D. Groshong, East Alton, informed the Press-Record Friday.

"I have heretofore been a Republican. However, I recognize the facts of life, and it is obvious that insofar as local politics in Madison county are concerned, the Republican party has ceased to be a factor."

"If the people are effectually to exercise their right of choice among county candidates, they must exercise it in the Democratic primary," he commented.

"I intend to wage a vigorous campaign for the nomination. In my view, disclosures already made by the public press and in the courts of the manner in which the office of county judge has been administered make that campaign necessary for the preservation of the dignity and integrity of the judicial system."

## Rites In Tennessee For Herman Lancaster

Funeral services were conducted Thursday afternoon at the Mountain View Presbyterian Church in Dover, Tenn., for Herman Lancaster, 52, of 1709 Delmar avenue, Burial was in the cemetery.

Mr. Lancaster died Jan. 15 at St. Elizabeth Hospital, where he had been in intensive care. He had been ill several months.

He had lived in Granite City for the past 17 years, and retired two years ago from the Union Starch & Refining Co. He was employed there 15 years in the refining department.

Surviving are four brothers, Loxie, Newman and George, all of Dover, Tenn., and Norman of Waynesboro, Tenn.; and two sisters, Miss Orlean Lancaster of Paris, Tenn., and Mrs. Geneva Lockwood of Dover.

## Simon To Speak Before GCARC This Evening

State Rep. Paul Simon, Troy, Ill., will be speaker at a meeting of the Granite City Association for Retarded Children this evening at 7:30 at St. John's United Church of Christ.

He will discuss highlights of state legislation pertaining to the mentally retarded. All members of the Association have been urged to attend the meeting, which is open to the public.

## Miss Mary Ann McDowell Bride Of Thurman Brooks

Burning tapers in candelabra and greenery were used in the setting for the wedding of Miss Mary Ann McDowell and Thurman O. Brooks Friday evening at Trinity Tabernacle, 2003 Sixth street.

The soloist, David Armour, sang "Because," "Always" and "The Wedding Prayer," with Mrs. C. M. O'Guin as pianist.

The bride was given in marriage by her brother, Earl McDowell, who escorted her up the white-carpeted aisle.

She was attired in a white satin bridal gown. The fitted bodice of satin was complemented with Chantilly lace trim, with sequins and pearls at the front of the bodice. The rounded neckline and traditional long sleeves which formed a point at the wrist topped the full skirt, which tapered into a short train. The veil was held securely to a crown of lace and sequins. A cascade bouquet of white carnations centered with a white orchid was carried by the bride.

Miss Judy Vandave, cousin of the bride, was maid of honor. Frank Fleming was best man.

The maid of honor wore a strapless dress of light orchid net over tulle, with a net stole of the same color. The gown was fashioned with a fitted bodice, the full-length skirt being complemented with a white lace.

## Republican Women's Club Installs New Officers

The Granite City Republican Women's Club met Thursday evening at The Smorgasbord and following the dinner the newly-elected officers were installed.

The staff includes Mrs. Edna Kohlbrecher, president; Mrs. Judy Chabode, first vice-president; Mrs. Gladys Newman, second vice-president; Mrs. Mary Hastings, third vice-president; Mrs. Vernice Wortman, secretary; Mrs. Althea Motts, financial secretary; Mrs. Vivian Davis, treasurer; and Mrs. Mary Kinder, chaplain. The charge to the incoming officers was given by Mrs. Don Castle, Belleville, District Governor of Illinois Young Republicans.

An address was given by Nicholas D. Ciacio of Springfield, technical adviser in the office of the secretary of state. Mrs. Motts was introduced as chairman of the new "daytime unit" of the club which will hold its initial meeting Feb. 1 at the Mott home, 2815 Iowa street from one to three o'clock in the afternoon. Mrs. Grace Pinkston will act as chairman of the "round table." This study group will hold meetings in the Pinkston home, 2161 Lee avenue, beginning Feb. 5 and continuing on the first Monday of subsequent months at 8 p.m.

The invocation preceding the dinner was given by Rev. H. L. Lucas and community singing was led by Gene Nelson, accompanied by Mrs. Isabel Schmidt. Gifts of appreciation were given to Mr. Ciacio and Mrs. Castle, and other prizes were awarded to Mrs. Hazel Atchison and Alex Sykes. The table centerpiece was presented to Mrs. Clara Smith, mother of State Representative Ralph Smith. Mrs. Wortman, dinner speaker, welcomed several distinguished guests, among them Mayor and Mrs. R. O. Rogers of Edwardsville; Mrs. Correll, president of the Edwardsville Republican Women's Club; Anita Walker, president of the Alton Republican Women's Club; Don Castle, who heads the St. Clair County Young Republican Club; Marion Groshong, district chairman of Venice; C. Luther Rudder, district chairman of Granite City; and Dr. Kurt Glaser, instructor in government at Southern Illinois University who took the opportunity to announce his candidacy for representative from the 24th District.

## Party Honors

### Cherie Fitzgerald

Cherie Lynne Fitzgerald, daughter of Mr. and Mrs. Robert Fitzgerald, 2840 Forest avenue, who was six years old Sunday, celebrated her birthday at a party given by her parents Saturday afternoon. The children spent the afternoon at games and were served refreshments by Mrs. Fitzgerald, assisted by her sister, Mrs. Roscoe Wilson of DeSoto, Mo. The table held a decorated cake with six lighted candles and a note was a pink banner with the words "happy birthday." Prizes in the games were won by Susan Brown, Debbie Davenport, Michael Wilson and Marsha Cox. Others present were Debbie Baker, Randy Brettle, Sherri Beatty, Alan Davenport, Janice Edwards, Diane Greer, James Harrison, Kathy and Karen Keller, Judy Sherman, Robin Woodward, Kim Worster, the honoree and Colleen Fitzgerald.

## Mrs. Minnie Hasty Is 100 Years Old

Mrs. Minnie Hasty, a former Venice resident but a patient at the Main Street Nursing Home in Alton for the past four years, celebrated her 100th birthday at a party Sunday. Those attending from Granite City were a grandson, William P. Patsy and Debra, and a great-granddaughter, Mrs. William Handfield, and Mr. Handfield.

The Handfield Club met Thursday evening in the home of Mrs. Thomas Bridick, 2410 Bromley avenue. Mrs. Bridick, Mrs. Alex Severine and Mrs. Kate Fedora, and Mrs. Vivian Dancio, who was a guest of the day, were present with guests.

Others present were Mesdames Irene Kadane, Gladys Skidmore, Frances Vivian and Sue Perdicaris.

## 62nd, 57th Anniversaries Are Celebrated Jointly

(Continued from Page 1)

The fifty-seventh wedding anniversary of Mr. and Mrs. George Durbin and the sixty-second anniversary of Mr. and Mrs. L. H. Rainwater were observed with a party Sunday evening after the church services at the Wesleyan Methodist Church. The Rainwaters, who have lived in Granite City since 1923, came to the city from Dover, Tenn.

Attending the party with them were their daughter, Mrs. Lottie Squires, their granddaughter, Mrs. Louis Potillo, and five of their grandchildren, Robert Kent, Mark and Beth Potillo, and Karla at Myrtle and Faith avenues.

In recalling "the good old days," Rainwater said that in 1905 he bought his wife a sewing machine for \$26 and she is still using the same machine. He said he worked for 90 cents a day when they were married, and he had a job as a cook in a family of seven with three boarders, her weekly pay was 75 cents.

The Durbins, who were married in a home in the 1700 block of Pennsylvania, Durbin came to Granite City in 1898 and is one of the oldest living pioneer residents.

They also had four generations attending the party—the only child, George Jr., and his wife, Mrs. George, and their only two great-grandsons, Dennis and Donald.

## VFW Auxiliary Enrolls Member

(Continued from Page 1)

A monthly meeting of the Veterans of Foreign Wars Auxiliary, Post 1300, was held Friday evening with 15 members attending.

Mrs. Cleo Schnefke, president, called the meeting to order and the obligation was given to a new member, Mrs. Nancy Wallace, by Mrs. Alice Reader, chaplain.

Mrs. Shirley Yates, secretary, gave her report and there also were reports by Mrs. Irene Stude, junior activities chairman, and Mrs. Jo Thomas, rehabilitation chairman, on holiday activities and the members and their families on the sick list. The quarterly audit was submitted by Mrs. Joanne Barney, treasurer.

Mrs. Irene Hendricks, representing World War I Auxiliary presented the VFW Auxiliary with a gift in recognition of past favors and plans were made for remodeling the kitchen. The group also made a contribution to the March of Dimes.

After adjourning, refreshments were served to members of the Post and Auxiliary by Mrs. Stude, Mrs. Frances Aldridge and Mrs. Clara Redmond, hostesses.

Others attending were Mesdames Glenda Charbonnier, Ethel Petri, Frieda House, Clara Conaway and Margaret Jones.

## Rudder-Spainhower Nuptials At Edgemont Church Friday

Edgemont Bible Church in East St. Louis was the scene of the wedding Friday evening of Miss Jeanette Spainhower, a daughter of Mr. and Mrs. Leslie J. Spainhower, 2606 State street, East St. Louis, and Larry Douglas Rudder, whose parents are Mr. and Mrs. C. Luther Rudder, 2920 Harding avenue.

Rev. G. Joseph Wright officiated at the 8 o'clock service, which was followed by a reception in the church parlors.

Attending the couple were Miss Marian Spainhower, a sister of the bride, and Elmer Dehn, the latter of this city.

Iridescent sequins and seed pearls trimmed the scalloped neckline of the broad satin bridal gown. The fitted midriff flared into a full, ballerina-length skirt and the bride's illusion veil was attached to a coronet of lace and sequins. She carried white orchids on a white ribbon.

The maid of honor was in a gown of deep turquoise patterned after the bride's gown. She wore a small white fur headpiece and veil and held a white fur muff to which red roses were attached.

The former Miss Spainhower graduated from the Berean Christian Academy and was employed as a secretary for a St. Louis firm. Mr. Rudder has been attending Wheaton College and is planning to continue his studies for the ministry at Biola College, Los Angeles, Calif., where he and his bride will reside.

## Patricia Linder, Lawrence Butts Exchange Vows

The Temple Baptist Church of Madison, with Rev. Paul Wadsworth officiating, was the setting for the wedding of Miss Patricia Linder, daughter of Mrs. Hazel Boyles, 1724 State street, and Lawrence Ray Butts, son of Mr. and Mrs. Herman Butts, 733 Delmar avenue, Friday evening.

The double-ring ceremony was used, and the bride was given in marriage by her grandfather, Thomas VanZant.

The bride wore a Chantilly lace and silk gown, ballerina length, the tight-fitted bodice had a scalloped neckline and three-quarter-length sleeves. The very bouffant skirt was of silk.

A crown of seed pearls and iridescent sequins was attached to the veil of French illusion. The bride carried a colonial bouquet of white carnations.

The attendants were Miss Betty Ann Russell, maid of honor, and Ralph Cluits Jr., best man.

Miss Russell was gowned in royal blue satin with a tight-fitted bodice, rounded neckline, short sleeves and bell skirt. A crown with a rose veil of matching color complemented the attire. A colonial bouquet of yellow carnations was carried.

The bride and groom attended the Granite City schools. The bride is now employed at the First National Bank in St. Louis, while the groom is employed at the Finley Plating Co., Granite City.

The couple will reside in Granite City.

## Reception Honors Don Hoelschers

Mr. and Mrs. George Hoelscher, 112 Central avenue, entertained guests at a reception from five until nine o'clock last night in honor of their son and daughter-in-law, Mr. and Mrs. Donald Hoelscher, who were married in October. Mr. Hoelscher, who is in the Navy, based at San Diego, is on leave and this was the first visit of the couple since their marriage.

Approximately 60 guests were present, including Mrs. Earl Hoelscher and Mr. and Mrs. Norman Hoelscher of Jacksonville, Ill., Mrs. Sam Bricey and daughter, Diane, of Murrayville, Ill., and others from St. Louis, Alton and nearby cities.

Mrs. Hoelscher was assisted by Mrs. Frank Hackethal, Mrs. Don Williams and Mrs. Richard Schmidt and the guests were served from a buffet table centered around a wedding cake. Green and white decorated the tables.

The visitors will return to San Diego on Jan. 31.
